NOTE:
Figures show permanent law in West Virginia enacted through September 10, 2018 at 2015 income levels. Top figure represents total state and local taxes as a share of income. The 6th edition of Who Pays does not include the impact of the federal deduction for state and local taxes (SALT) because policy changes in the 2017 federal Tax Cuts and Jobs Act temporarily limited the extent to which the SALT deduction functions as a generalized offset of state and local taxes.
